Lake Erie Nature & Science Center
Women's Board

A few words about the Women's Board . . .

The Women's Board of Lake Erie Nature & Science Center is a **volunteer organization with a rich history**. Started in 1954 by six women, it has grown in numbers to a group of women of all ages, skills, experiences and talents.

The purpose of the Women's Board is to support Lake Erie Nature & Science Center through **service, leadership, community awareness and fund raising**.

Our meetings and socials are held on the **first Wednesday of the month**, September through June, at Lake Erie Nature & Science Center starting at 12:00 noon.

Members of the Women's Board are asked to pay annual dues of \$15.00 and maintain an annual Center membership.

THANK YOU FOR YOUR INTEREST!
For more information, call the Center at 440-871-2900.
