

Lake Erie Nature & Science Center

ASTRONOMY CLUB

Schuele Planetarium is excited to announce Astronomy Club for local sky enthusiasts!

Join us for an introduction to Astronomy Club where you will explore constellations and planets on the planetarium dome, learn about upcoming astronomical events and use the Center's telescopes to view the night sky. Astronomy Club will also feature reviews of gadgets, software, books, movies and more.

Wednesday
April 18, 2018
6:30 p.m.

For all ages
Free
