

Lake Erie Nature & Science Center

Birds of Lake Erie Day

For the beginning birder to the expert conservationist!

Saturday, April 29, 2017 | 10:00 a.m. – 5:00 p.m.

Join us for our 2nd Annual Birds of Lake Erie Day! Get ready to learn all about our local feathered friends, Lake Erie birding and much more with programs and activities for all ages such as:

- **Presentations by our expert wildlife staff about various avian topics including wildlife rehabilitation**
- **A Bird hike throughout Huntington Reservation led by Wildlife Rehabilitation Specialist Tim Jasinski**
- **Live animal encounters presented by the Center's Project Wildlife students**
- **Planetarium programs including a discussion on the effects of light pollution**

Cost: \$5/person

Secure your spot by registering in advance at www.lensc.org

Lake Erie Nature & Science Center is the premier education facility for native wildlife and the only wildlife rehabilitation program in Cuyahoga County.

All proceeds from Birds of Lake Erie Day will support the Center's wildlife rehabilitation program which examines over 100 different species and admits over 1,400 patients a year.
