## **LIVE ANIMAL “GAME SHOW” OFFERS ALTERNATIVE TO BLACK FRIDAY SHOPPING**

Bay Village, Ohio --- If you're looking for an alternative to the crowded shopping malls on “Black Friday,” ‘come on down’ to Lake Erie Nature & Science Center’s “game show,” “True or False.” This special edition of the Center’s free, Meet An Animal program will be held on the Friday after Thanksgiving, November 23, at 3 p.m. (Meet An Animal is normally held on select Saturdays.)

Wildlife Director Dave Wolf will “emcee” and bring out multiple creatures for hands-on discovery during this interactive program. Use your True and False answer cards to show what you know (or don’t know) about wild animals. This is a fun and free way for the whole family to explore common facts and fallacies surrounding our local wildlife.

Come early or stick around after the program and explore the Center’s indoor and outdoor live animal exhibits. You can also head out to explore the surrounding hiking trails and see if you can spy some of the wildlife in the wild! Lake Erie Nature & Science Center is located at 28728 Wolf Road in Bay Village. For more information, visit [www.lensc.org](http://www.lensc.org) or call 440-871-2900.

-END-

**Meet An Animal - True or False?**  
**November 23 \*Friday after Thanksgiving,**  
**3 p.m.**  
**Free!**

Come on down and attend Lake Erie Nature & Science Center’s very own “game show.” Find out what you know... and might not know... about wildlife. Our Wildlife Director, Dave Wolf, will “emcee” and give the audience a look at some of the Center’s animals. Audience participation is encouraged with T or F answer cards as we explore common facts and fallacies surrounding local wildlife. Great, free alternative to the crowded shopping malls!
