CHRISTMAS CAROUSEL FESTIVAL BENEFITS LAKE ERIE NATURE & SCIENCE CENTER

Bay Village, Ohio --- The annual Christmas Carousel Holiday Festival returns to Bay Village on November 7, allowing shoppers to give two ways with their holiday dollars! The annual event benefits the non-profit Lake Erie Nature & Science Center.

There are new vendors this year, along with old favorites, featuring antique button bracelets, pottery, Longaberger baskets, unique children's clothing including monogrammed baby items, original art work, recycled wearables, stained glass, doll clothes, beaded giftware, woodworks, children's books, nature-inspired notecards, pet clothes, novelties and more. Arbonne International, Pampered Chef and Southern Living are also represented.

The Carousel Café will feature lunch, home-baked goods and more. Hungry shoppers can count on delicious refreshments and the usual mouth-watering array of homemade cakes, cookies and jams at the popular bake sale.

The long-running Carousel, sponsored by Lake Erie Nature & Science Center's all-volunteer Women's Board runs from 9:30 a.m. to 4:30 p.m. To comfortably accommodate all the exhibitors and shoppers, and to provide adequate parking, the Carousel will be held at Bay High School, located at 29230 Wolf Road. The Women's Board chair of the event, Deb Barnum, says the \$3 per person entry donation also includes one FREE raffle ticket for great prizes!

Carousel proceeds support Lake Erie Nature & Science Center's non-profit programs that inspire appreciation for the natural universe. The Center offers a variety of educational programming, opens its live animal exhibit doors free to the public 7 days a week, and operates a wildlife rehabilitation program at no charge to the public.

For more information about Carousel, contact the Center at 440-871-2900 or www.lensc.org.
