# Understanding the Preschooler's Perspective

With tips and techniques for parents

Dr. Meghan  
Barlow

## Why won't my kids listen to me...and how can I make them?

**Monday, October 2, 2017**  
**7:00 – 8:30 p.m.**

Join us for a free presentation and discussion with  
Dr. Meghan Barlow and Katherine Greenleaf LPCC at  
Lake Erie Nature & Science Center.

Meghan Barlow is a pediatric psychologist with a private practice in Rocky River. She specializes in the assessment and treatment of children with Autism Spectrum Conditions, Anxiety Disorders, Attention Deficit Disorders, Depression, behavioral concerns, developmental issues and chronic medical problems.

Katherine  
Greenleaf,  
M.A., LPCC

Katie is a Licensed Professional Clinical Counselor with experience working with individuals of all ages. She specializes in the treatment of children, adolescents, and teens presenting with a variety of emotional, behavioral, and social needs. Her areas of expertise include ADHD, oppositional and explosive behavior, anxiety, depression, adjustment to school issues, and parent education.

- Learn about the underlying causes of noncompliance in preschoolers
- Suggestions for preventing power struggles and maximizing compliance
- Learn how to retain your expectations for child behavior while keeping peace in the home
- Resources to help your child thrive
