Family Hayride Nights Offer One Stop Shopping for Fall Fun!
*Hayrides, Campfires, Animals, Star Shows, Crafts, Pizza, Costumed Kids and More
Coming to Lake Erie Nature & Science Center In October*

Bay Village, Ohio --- The crisp autumn air and changing leaves will set the stage for two special family events at Lake Erie Nature & Science Center in October. A cornucopia of autumn activities are included in Fall Family Hayride Nights on October 5 and October 26 from 5:30 to 9 p.m.

Both all-inclusive evenings start with a pizza dinner, followed by an autumn craft for the little ones, star shows in the Center's world-class Schuele Planetarium and hayrides for all ages! Families will also enjoy hands-on time with some of the Center's wild creatures, plus the warmth of hot chocolate and crackling fires.

The October 26 event is a Halloween Hayride Night and costumes are encouraged. There will be a parade for trick-or-treaters through the Center's beautiful backyard wildlife garden and a craft for the little ghosts and goblins.

The fee to register for either of these events is \$15 per adult and \$10 per child. Center members pay a reduced price of \$10 per adult and \$5 per child. A family membership at Lake Erie Nature & Science Center is just \$50 per year. To register for either Hayride Night, to learn more about membership privileges, or to ask a question, call the Center at 440-871-2900. You can also log onto www.lensc.org.
