DROP IN FOR LEAP DAY AND ST. PATTY'S AT LAKE ERIE NATURE & SCIENCE CENTER

Bay Village, Ohio --- The next *Drop In & Discover* program at Lake Erie Nature & Science Center will take a cue from Leap Day. The program, on Friday, February 29 from 10 a.m. to Noon, will celebrate the day that hops onto the calendar once every four years with live animals that leap, a story and a craft.

Drop In & Discover features guided, hands-on discovery and fun for all ages, without the need to register in advance. Families can just drop in during the program time window and head to the Drop In & Discover room. There is a small fee to participate (\$3 – \$5 depending on the cost of materials). The Center also plans to offer *Drop in & Discover* programming on St. Patrick's Day, March 17 and as an early Earth Day Celebration on April 19. Activities will be offered from 10 a.m. to Noon on March 17; 10 a.m. – Noon and 1 – 3 p.m. on April 19.

With free admission, 7 days a week, Lake Erie Nature & Science Center attracts more than 90,000 walk-in visitors each year to its location at 28728 Wolf Road in Bay Village. To view the most current schedule of activities for *Drop In & Discover*, visit the Center's website at www.lensc.org, pick up a lobby flyer or call (440) 871-2900.
