# HIKES BEFORE HOMEWORK

## Take a nature break before settling in for homework!

An Education Specialist will pick students up at Bay Middle School after school for a brisk hike through Huntington Reservation to stretch their legs, fit in healthy exercise and clear their minds for the homework ahead. After the hike, we'll head to the Center to start homework in a quiet space. Please pack a reusable water bottle and a healthy snack.

*Students can be picked up at the Center at 5:30 p.m.*
