Prices and terms are subject to change.

For more information or to book your party, call **(440) 871-2900!**

While Here at the Center, Explore

Live Animal Exhibits: View local and exotic wildlife up close in their natural habitat exhibits. See our medley of turtles, Madagascar Hissing Cockroaches, an enormous 18-foot python, Ohio's three live venomous snakes, over 1,000 gallons of aquatic exhibits, gentle tarantulas, exotic piranhas, and more.

Outdoor Wildlife Garden: Have a "close encounter" with some of Ohio's native animals, many of which have been cared for through our wildlife rehabilitation program. See a Bald Eagle from just a few feet away and look into the eyes of a Red Tailed Hawk. Visit with our deer, ducks, fox, owls and other creatures. Delight in the sights and sounds of our beautiful outdoor gardens featuring a pond, waterfall, flowers and plants.

Lake Erie Nature & Science Center maintains animals at the Center to educate the public. Most animals reside here because they require human care due to past illness or injury.
