

Lake Erie Nature & Science Center

Help us rehabilitate wildlife!

Lake Erie Nature & Science Center PARTNERS IN WILDLIFE REHABILITATION

For \$500 per year you or your business can be part of an elite group that helps us to operate our Wildlife Education & Rehabilitation Program.

We receive much-needed funds to offset the cost of medical services, medical supplies, animal food, and animal care supplies.

You receive a year's worth of advertising with prominent exposure to the Center's over 100,000 visitors and to more than 1,000 readers of our publications.

You also gain the good feeling of knowing you make a difference in our community!

Interested in joining us as partner?
Please contact Director of Wildlife Programs Dave Wolf
at 440-871-2900 ext. 203 or Davew@Lensc.org.
