PROTECT YOUR IDENTITY AND THE ENVIRONMENT AT SHREDDING DAY *LAKE ERIE NATURE & SCIENCE CENTER TEAMS UP WITH SHREDDING NETWORK*

Bay Village, Ohio --- Dispose of old financial statements, tax forms, bills, medical records and other clean paper without worrying about identity theft or the effect of dumping paper into the environment. Lake Erie Nature & Science Center is teaming up with the Shredding Network again to bring a powerful mobile shredding truck back to Bay Village on Saturday, April 10. The high-tech equipment will provide quick, confidential destruction and recycling of up to five boxes or bags of old paper per household.

The mobile shredder will be set up across from Lake Erie Nature & Science Center in the Wolf Picnic area parking lot from 9 a.m. to Noon. For a complete list of items that can and can't be shredded, visit www.lensc.org (click on Featured Events) or pick up a flyer at the Center during regular hours.

The shredding service will be provided for a suggested donation of \$5 per household and 100% of the proceeds will go directly to the non-profit Lake Erie Nature & Science Center. Last year's Shredding Day raised \$1,000. Shredding Network's Dana Mueller estimates that by recycling more than 9 tons of paper at the Center's first two Shredding Days in 2008 and 2009, the community saved more than 150 trees and 27 cubic yards of landfill!

Lake Erie Nature & Science Center provides wildlife exhibits and rehabilitation, as well as planetarium and nature education programs, reaching more than 100,000 people a year. Although the Center is located in Huntington Reservation, it is a separate, donor-funded non-profit organization. Shredding Network is a locally owned company based in Wickliffe, Ohio. The company shreds and recycles 2,000 tons of paper per month! Find out more about Shredding Network's services at <http://www.shreddingnetwork.net> or call 440-944-8819.

Lake Erie Nature & Science Center Shredding Day

Saturday, April 10

9 a.m. to Noon
