MONARCHS, LASERS, ROCKETS & FISHIN' ADD UP TO SUMMER ADVENTURE AT LAKE ERIE NATURE & SCIENCE CENTER

Bay Village, Ohio --- School's OUT and summer camp is IN at Lake Erie Nature & Science Center! It's not too late to sign up for a great nature and science-themed day camp. **Space Camp** kicks off June 17 – 20 with new space probes and a cool laser light show, while children enrolled in **Aquatic Adventures Camp**, July 8 – 11, will learn fishing tips and tricks as part of their exploration of lakes, ponds and streams. In **Amazing Animal Journeys**, July 15 – 18, campers will watch live caterpillars transform into monarchs, tag the newly emerged butterflies and track their flight to Mexico!

All three camps are open to children in Grades K – 6. Professional, year-round staffers head up the teaching and children are grouped by age. Get details online at www.lensc.org, by calling 440-871-2900 or by dropping into the Center at 28728 Wolf Road in Bay Village.
