Christmas Carousel Holiday Festival Offers An Early Taste Of The Holidays Shoppers “Give Twice” By Buying To Benefit Lake Erie Nature & Science Center

Bay Village, Ohio --- Holiday shoppers who want their gift dollars to do double duty... bringing a smile to the receiver *and* making a difference in the world... will find a potpourri of artists, craftspeople, quality vendors and home-baked treats at this year’s Christmas Carousel Holiday Festival in Bay Village. The November 3 event, at Bay High School, benefits the non-profit Lake Erie Nature & Science Center.

Christmas Carousel shoppers will enjoy an early start hunting for unique gift items, as well as the opportunity to take home wonderful cakes and confections, direct from local ovens! Natural alpaca wool products, wood turned creations, doll and teddy bear clothing, hand-painted purses, jewelry, needlecrafts, furniture, and pottery, along with quality children’s books, skin care and gourmet cook’s products will be among the offerings at this year’s Carousel. Unusual glass dishware made from recycled bottles will also be available for “green” giving and there are clothing and gifts for the dog on your list as well!

With a mouth-watering array of homemade cakes, cookies, jams and more, the fabulous bake sale alone is worth the price of admission. The \$3 per person entry fee also includes one FREE raffle ticket for great prizes. Additional raffle tickets and refreshments will also be available to purchase.

The long-running Carousel, sponsored by Lake Erie Nature & Science Center’s all-volunteer Women’s Board will be held Saturday, November 3 from 9:30 a.m. to 4:30 p.m. To comfortably accommodate all the exhibitors and shoppers, and to provide adequate parking, the Carousel will be held at Bay High School, located at 29230 Wolf Road.

Carousel proceeds support Lake Erie Nature & Science Center’s mission to inspire appreciation of and responsibility for our natural universe, through engaging classes, hands-on discovery, specialized planetarium programming and up-close wildlife experiences. The Center offers a variety of educational programming, opens its doors free to the public 7-days a week, and operates a wildlife rehabilitation program for injured animals at no charge to the public.

For more information about Christmas Carousel, contact the Center at 440-871-2900 or www.lenesc.org.
