Cub Scout Programs - Winter 2011-12

Explore nature with your Cub Scouts and let Lake Erie Nature & Science Center be your guide!

Touch a live animal, build a birdhouse or take a hike.

Our experienced instructors will engage your scouts in hands-on learning and fun.

Schedule: Winter Cub Scout programs will be on Tuesday evenings, rotating through Tiger, Bear, Wolf and Webelos.

Fees: All programs (except Planetarium) in this flyer are \$8/Scout

TIGER (1ST GRADE) CUB SCOUT PROGRAMS

Reduce, Reuse, Recycle – Elective 47

Tuesday, January 10, 2012

7 – 8 p.m.

Learn about what you can recycle in your community and how you can recycle at home. Learn about things that need to be recycled in special ways. Then make a recycle project that you can use at home.

Learn About Animals – Elective 31

Tuesday, February 7, 2012

7 – 8 p.m.

Experience an up-close encounter with a variety of animals, including mammals, reptiles and birds of prey. Explore the Center's wildlife exhibits as you choose your favorite animal and learn how big it is, where it lives, what kind of food it eats, how long it lives, what sounds it makes and if it is endangered.

WOLF (2ND GRADE) CUB SCOUT PROGRAMS

Birds - Elective 13

Tuesday, January 17, 2012

7 – 8:15 p.m.

Learn the ABC's of birding as you identify 10 different kinds of birds that reside in your neighborhood. Make a bird feeder from recycled materials, learn the importance of water to birds and provide nesting materials to attract birds.

Your Living World – Achievement 7

Tuesday, February 14, 2012

7 – 8:15 p.m.

Why is it important to respect our natural resources? How can you show respect for your environment? First, identify how land, water and air can get dirty. Learn how and what your community might recycle. Plan a neighborhood litter pickup project. List ways to save energy besides recycling and put that list into action.

Over for Bear & Webelos options, plus Registration Information!

Our Mission: The nonprofit Lake Erie Nature & Science Center educates and inspires each of us to understand, appreciate and take responsibility for our natural universe.
