A few words about Women's Board...

The Women's Board of Lake Erie Nature & Science Center is a volunteer organization with a rich history. Started in 1954 by six women, it has grown in numbers to a group of women of all ages, skills, experiences and talents.

The purpose of the Women's Board is to support Lake Erie Nature & Science Center through service, leadership, community awareness and fund raising. Our fund raising projects include Family Fun Fest, Adopt-an-Animal Program and Christmas Carousel. Special interest groups include Animal Visitation and Arts and Crafts.

Our meetings and socials are held on the first Wednesday of the month, September through June, at Lake Erie Nature & Science Center starting at noon.

Members of the Women's Board are asked to pay annual dues of \$10.00 and maintain an annual membership.

THANK YOU FOR YOUR INTEREST!
