### **SURVIVOR DRUMBEAT LEADS TO LAKE ERIE NATURE & SCIENCE CENTER**

**Bay Village, Ohio** -- The Tribe Has Spoken: "Save the Evening of September 15 for Survivor Africa!" Follow the drums and get ready to party safari style to support the non-profit Lake Erie Nature & Science Center! The theme for the Center's annual benefit gala on **Saturday, September 15, from 6:30 – 10 p.m.** is "Survivor Africa," based on the popular television show.

The evening will include dinner by ARRABIATA'S, an open bar, music by the popular local band, OASIS, and a fabulous raffle and silent auction. Partygoers will also have a chance to win prizes as they venture on a safari hunt and gather 'round the bonfire! Dress for the evening is safari-style with an incredible prize for the most inspired attire!

Bidders will try to "Outwit, Outplay, Outlast" as they vie for a fantastic array of silent auction items, including gift certificates to premier Cleveland area restaurants, spas, and country clubs. The auction will feature many exciting reasons to bid, including opportunities to see Cleveland by boat or plane, to experience the arts at local museums and restaurants and to root on the Indians or the Browns!

The benefit provides support for the important non-profit mission of Lake Erie Nature & Science Center. The Center "educates Northeast Ohio children and the community at large through engaging classes, hands-on discovery, specialized planetarium programming and up-close wildlife experiences to inspire appreciation of and responsibility for our natural universe—one participant at a time."

Tickets are \$50 per person. The Center is also offering corporate sponsorships for the event. For reservations and further information, please call 440-871-2900.
