LAKE ERIE NATURE & SCIENCE CENTER CALLS FOR “WILD” READING VOLUNTEERS

Bay Village, Ohio --- The rewards of helping a child learn to read are immeasurable. Volunteers at Lake Erie Nature & Science Center’s 2007 Wild Summer Reading Camp will experience the joy of connecting children to the wonder of words... while campers also experience the wonders of the natural world.

Volunteers, ages 13 to adult, are needed to read to and with children, and to assist summer campers with Accelerated Reader computer quizzes and journaling activities. The camp runs July 23 – August 17, Monday through Friday 8:30 – 11:30 a.m. AND 12:30 – 3:30 p.m. Volunteers can sign up for a single shift, one day a week or more.

Campers will be children entering grades 1-4 at Normandy, Westerly and St. Raphael schools in Bay Village. Children enrolled in the camp will also participate in a variety of science activities including wildlife presentations, planetarium programs and nature hikes. A reading specialist will supervise in-depth reading and writing lessons.

Please call Julie Mistur at 440-871-2900 x215 if you are interested in this wonderful volunteer opportunity.
