

Lake Erie Nature &
Science Center

FALL 2018 SCHUELE PLANETARIUM

SCHEDULE OF PROGRAMS September 1 – December 31

MONDAY, WEDNESDAY & FRIDAY

11:30 a.m. **Twinkle Tots**

12:00 p.m. **Stellar Stars**

SATURDAY & SUNDAY

10:30 a.m. **Twinkle Tots**

11:00 a.m. **Stellar Stars**

11:30 a.m. **Family Adventures in Space**

1:00 p.m. **Sky Tonight**

2:00 p.m. **Full Dome Show**
See details on back

Orion Nebula
NGC 1976

TWINKLE TOTS

Enjoy a light show set to lively music and learn what we can see up in the sky! *This program is approximately 15 minutes.*

For ages 0 – 3 | Fee: \$3/person (including infants)

STELLAR STARS

Blast off and travel through space as you visit different destinations in the Solar System and learn about constellations in the night sky. *This program is approximately 25 minutes.*

For ages 3 – 7 | Fee: \$4/person

FAMILY ADVENTURES IN SPACE

Take a trip that's completely out of this world! Travelling through space, you'll visit different objects in the solar system, explore constellations in the night sky and learn about NASA's missions. *This program is approximately 25 minutes.*

For all ages | Fee: \$5/person

SKY TONIGHT

We'll use both the digital projector and the starball to identify constellations and learn what else is out there in the sky tonight. *This program is approximately 30 minutes in full dark.*

For adults and children ages 6+ | Fee: \$5/person

Due to field trips, camps and other group events, this schedule is subject to change. We encourage you to contact our Welcome Desk at 440-871-2900 to confirm programming when making your plans.

SKYQUEST

For pre-teens through adults

*These programs are approximately 60 minutes.
Advance registration is available.*

Fee per program: \$7/person

The Night Sky

Take an in-depth tour of the current night sky, as we use both of Schuele Planetarium's star projectors to identify constellations, explore planets and more.

Wednesdays, September 12, October 10 and November 14 at 7:30 p.m.

Our Place in Space

Join us as we travel the vastness of space and see just how big our universe really is. We'll take a look at the Sun, the planets in our solar system, our galaxy and what lies beyond to gain cosmic perspective.

Wednesday, December 12 at 7:30 p.m.

FAMILY ASTRONOMY NIGHT

For all ages

Spend the autumnal equinox under the stars in Schuele Planetarium. We will explore the constellations of fall, define an equinox and explain why we celebrate it! A lantern hike through Huntington Reservation and an indoor activity will complete the evening. Weather permitting, we'll catch a glimpse of the night sky using the Center's telescopes.

Friday, September 21

7:30 – 9:00 p.m.

Fee: \$8/person (children 2 and under are free)

TELESCOPE NIGHT

For adults and children ages 6 and up

Join resident telescope expert and NASA JPL Solar System Ambassador Bill Reed for evenings under the stars. We will begin in the planetarium for an update on the night sky then head out to see the view using an 8-inch Schmidt-Cassegrain telescope.

Saturday, September 22 at 8:30 p.m.

Saturdays, October 20 and November 24 at 7:30 p.m.

Fee: \$8/person

FULL DOME SHOWS

Shows change weekly in the following rotation beginning September 1. Call or see website for updates and age recommendations for each show.

Fee: \$5/person

Each show lasts 25-35 minutes

From Earth to the Universe (ages 10 and up)

Flight Adventures (children)

Chasing the Ghost Particle (ages 10 and up)

Perseus & Andromeda (children)

Two Small Pieces of Glass (ages 8 and up)

Sunstruck (ages 10 and up)

Cosmic Castaways (ages 10 and up)

Cosmic Origins Spectrograph (ages 10 and up)

Space Aliens (children)

The Little Star That Could (children)

Journey to Mars + Mars talk (ages 6 and up)

Galileo: The Power of the Telescope (ages 10 and up)

Rusty Rocket's Last Blast (ages 6 and up)

ASTRONOMY CLUB

For adults and children ages 12 and up

Calling all local sky enthusiasts! Join us for Astronomy Club and explore the world of astronomy in a fun, social environment. NASA JPL Solar System Ambassador Bill Reed will share what's new in space, the latest gadgets, "astro-tainment" and mind-blowing facts. Enjoy movie nights in Schuele Planetarium, workshops, stargazing with telescopes and more. Astronomy Club is an exclusive free benefit to Members of Lake Erie Nature & Science Center.

Wednesdays, September 19, October 17, November 21 and December 19

6:30 – 8:00 p.m.

Free to Members of Lake Erie Nature & Science Center
