

Welcome to Lake Erie Nature & Science Center!

Discover the Universe in Your Backyard

Adventure and discovery await you at Lake Erie Nature & Science Center with over 100 animals for you to learn about and enjoy! Where else can you come nose-to-beak with a barn owl, sit on the front porch of a log cabin to watch ducks and turtles splashing in the water, see Ohio's venomous snakes up-close, get help for the injured bird in your backyard, check out who lives in our surrounding Lake Erie habitats, take a nature class, and star-gaze in a planetarium all in one afternoon?!?

.....

As a member, you can experience all this and more! With discounts to our programs and classes, free planetarium passes and a subscription to our newsletters and program guides, you can take advantage of even MORE exciting happenings at our Center!

OUR MISSION

Lake Erie Nature & Science Center educates and inspires each of us to understand, appreciate and take responsibility for our natural universe.

MEMBERS MAKE IT HAPPEN!

As a nonprofit organization that receives no tax dollars, the income we receive from memberships and programs is vital to our survival. Without your generous support, the Great Horned owls, turtles, and foxes might not be here to enjoy!

We also rely heavily on donations to make up the rest of our operating costs. These donations help us to fulfill our mission and continue offering quality exhibits and programs.

Please consider a contribution to Lake Erie Nature & Science Center along with your membership. Your gift truly makes a difference to our animals and our visitors!

Do you have a friend or family member who loves coming to our Center? Give the gift of membership for the next special occasion!

Don't forget ~ grandparents can become members too! It's a great way to spend quality time with your grandchildren!
