

# Lake Erie Nature & Science Center

## Partnerships for Education

### Aligning Community Values

Lake Erie Nature & Science Center serves your employees and their families as well as your clients and customers with distinctive educational programs. As a regional leader in nature programming, we provide children, families, and young adults with a living, breathing connection to the natural world. Our live animal collection, planetarium, and park setting near Lake Erie provide vibrant and lasting experiences, drawing visitors from the Northeast Ohio region and beyond.

### Mission

To educate and inspire each of us to understand, appreciate and take responsibility for our natural world.

### Nonprofit 501c3

Lake Erie Nature & Science Center is a non-profit organization. Tax ID #34-0845030.

## Impact Opportunities

Your company's investment in Lake Erie Nature & Science Center will help us enrich lives of children, families, and young adults by engaging them in science discovery. Recognition of your support will be shared on social media channels and publications. Financial contributions or grants are fully tax deductible and will directly support educational programs:

### High quality family time with nature

Free general admission draws visitors to enjoy live animal displays and natural history exhibits in our family-friendly facility.

*"I had never been to the nature center before and I will say I was impressed. A small but mighty amount of exhibits and the staff was so kind. I will definitely visit again."*

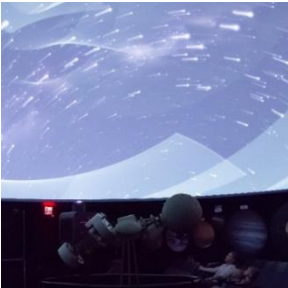

## Partnerships for Education

### Nature-based preschool discovery

Nature-based preschool programs encourage children to develop an attitude of inquiry and respect for the natural world while integrating science, math, literacy, and the arts.

*"My kids loved the visit. So happy to have this in their lives. Excellent experience. Thank you!"*

### Astronomy and star gazing

See constellations in the night sky and observe the universe with interactive space science programs at the Schuele planetarium, one of two publicly accessible domes in Greater Cleveland.

*"Our experience was outstanding. Our group ranged in ages 3 to 73 and each of us learned something new."*

### Answers to wildlife inquiries

People receive answers and resources for their questions about native animals from our wildlife specialists 7 days a week, at no charge.

*"Very helpful staff with a lot of knowledge about the birds and animals"*

### Help for injured animals

Wildlife professionals serve the community by treating injured wildlife, with the goal of release, and operate with permits from federal, state, and local agencies.

*"We brought an injured bird to the nature center and were impressed by the knowledge and compassion of the wildlife specialist who helped it."*

## Team Projects for Your Employees

"Done in a day" projects offer your employees a team building opportunity while helping our mission. Group volunteer projects may involve yard clean-up, leaf raking, planting, weed pulling, painting, cleaning, or craft preparation.

- Employee team building
- Convenience
- Social media recognition

Your company's investment in Lake Erie Nature & Science Center will help us enrich lives of children, families, and young adults by engaging them in science discovery. Financial contributions or grants will support a wide array of educational programs.

**Thank You**
