

Lake Erie Nature & Science Center

EARLY CHILDHOOD EDUCATION INTERNSHIP

Position Summary

Lake Erie Nature & Science Center is seeking an Early Childhood Education Intern to take part in a unique educational opportunity by assisting with preschool education programs.

Responsibilities include:

- Assist with daily classroom activities and assist in outdoor activities and hikes
- Assist with supervising children ages 12 months through 6 years
- Assist with family public education and programming
- Provide support with departmental administrative and organization duties as needed

Schedule and Compensation

Generally, the work day will begin at 9:00 a.m. and conclude at 12:30 p.m. Intern positions are non-paid however may qualify for course credit.

Qualifications

The preferred applicant should have completed some coursework focused on early childhood education. For example, child development, and early language and literacy skills. Previous experience working with children is desirable.

A background check is required.

Other qualifications include:

- The ability to work as part of a team
- A high level of self-motivation
- The capability to prioritize tasks in a fast-paced environment
- Effective communication skills
- A passion for teaching young children
- Experience with Microsoft Office software
- Valid driver's license

Application

Please submit a cover letter, resume and two letters of recommendation to jobs@lensc.org.

Deadline: July 31, 2023

Our Mission: Lake Erie Nature & Science Center educates and inspires each of us to understand, appreciate and take responsibility for our natural universe.
