

# Lake Erie Nature & Science Center

# WILDLIFE WISHLIST

Lake Erie Nature & Science Center serves thousands of people each year in addition to caring for our resident animals and wildlife rehabilitation patients. To provide the best possible service with the least amount of expense, we are asking for your help. Below is a list of items used on a daily basis to help fulfill our mission. As a non-profit organization, we rely on the generosity of the communities we serve to offer free general admission, nature-based education and wildlife rehabilitation services at no charge to the public. All donations are not only appreciated but crucial to our continued success. Thank you!

## A DONATION OF:

**$75** feeds our Bald Eagle for one week
**$200** feeds our Skunks for one month
**$275** feeds one Great Horned Owl for one month
**$1,000** feeds our Box Turtles for one year

*Monetary donations provide the best support for us to take care of our animals.*
